

Nufarm Agriculture Inc.

Logistics Coordinator Import/Export – Demand Planning

Nufarm Ltd. Is one of the world's leading crop protection companies. We produce products to assist farmers in protecting their crops against damage caused by weeds, pests and disease. Nufarm is based in Australia, and has manufacturing and marketing operations throughout the world, including Australia, New Zealand, Asia, Europe, and North America. Nufarm employs more than 2,600 people, all of whom make a vital contribution to the company's reputation for quality products, innovation, and first class business practices.

Nufarm encourages Innovation and Entrepreneurship in its employees without compromise to the highest standards of Safety and Care for the Environment, Employees and the Public. Nufarm's culture encourages safety, excellence in service, flexibility, teamwork, and innovation in a supportive, respectful and fun environment.

Nufarm Agriculture Inc. is currently seeking a **Logistics Coordinator** to provide support to our team in the areas of Import/Export, Demand Planning, Warehouse and Inventory Management.

The core activities of this position are coordination of the demand plan, involving working with our commercial, manufacturing and purchasing teams, in order to ensure that the right products, are in the right place, at the right time to support our annual plan. This includes finished goods inventory management and distribution planning, coordination of warehouse activities, and other related activities to support our business. Through providing support to our Customs Brokers, you will ensure accurate and timely processing of our import/export goods, as well as compliance with all legal requirements, and full supporting documentation and files.

Requirements:

Applicant will be fluent in English, verbal and written. 8 + years experience in a manufacturing support role, with a focus on Supply Chain activities. Solid working knowledge of Canada Customs requirements for import and export, as well as familiarity with NAFTA, HS Coding, duty drawbacks and other related Customs transactions. Attention to detail and accuracy is a priority for this position. Advanced proficiency in Excel and Word is required; Completion or Enrollment in APICS program is desirable.

Hours of Work: Monday – Friday 7:45 am – 4:15 pm

Position: Full Time, Location: SE Calgary
